

Course Disclaimers - AI-Assisted Content

Welcome to this course on Generative AI Fun with ChatGPT and Suno!

Before we begin, please take a moment to review these important disclaimers:

1. **AI-Generated Content:** Some materials in this course, including transcriptions, audio, voice overs and videos, have been enhanced or transcribed with the help of artificial intelligence (AI). All have been created, reviewed and edited in collaboration with your instructor.
2. **Intellectual Property:** Learners should be mindful of copyright and intellectual property rights when creating content with AI tools and avoid generating material that infringes on others' rights.
3. **ChatGPT & Suno:** ChatGPT and Suno are distinct AI platforms, each with its own unique policies and procedures that users must adhere to. It is essential to review and follow these guidelines to ensure ethical and responsible use of both platforms.
4. **AI Limitations:** While AI tools like ChatGPT and Suno are powerful, they may occasionally generate outputs that contain errors or reflect biases present in their training data. Users should critically evaluate AI-generated content.
5. **User Responsibility:** Users are solely responsible for the content they create and share using ChatGPT and Suno, and must ensure they comply with all applicable laws and regulations.
6. **Udemy's Terms of Service:** This course and the use of AI tools are also subject to Udemy's terms of service, which users are expected to follow.
7. **Seek Guidance & Ask Questions:** If you have any questions, need clarification, or want to share your experiences, please use the Q&A section of the course. Your instructor is here to support you and provide guidance throughout your journey.

Let's begin this journey into the world of Generative AI Fun with ChatGPT and Suno with an open heart and a curious mind!
