## Tips for Use

- **Placement:** Add tags directly above or beside lyrics where you'd like the effect.

**Combine Tags:** Example:

[Intro] [Instrument: Ambient Synth Pad]  
[Verse] [Female Vocal] [Mood: Melancholic]  
[Chorus] [Catchy Hook] [Dynamic: Forte]  
[Bridge] [Guitar Solo] [Vocal Effect: Echo]  
[Outro] [Fade Out]

**Creativity Wins:** Mix styles and moods for genre fusion, emotional contrast, or unique vibes.
