

Common Prompt Mistakes and Fixes

1. Too vague - Fix: Add clear output instructions.
2. No audience defined - Fix: Specify who it is for.
3. Asking too much at once - Fix: Break tasks into layers.
4. Skipping output format - Fix: Ask for bullet points, table, etc.
5. Forgetting tone - Fix: Define tone (friendly, professional, fun).
6. No constraints - Fix: Add word limits or timeframes.
7. Not using examples - Fix: Add 'like this' samples.
8. Lack of role clarity - Fix: Use 'Act as a...'
9. Ignoring previous outputs - Fix: Chain prompts properly.
10. Rewriting from scratch every time - Fix: Save and reuse prompt templates.
